Ecology and Environment Costs for Pasco Sanitary Landfill

Barbara Cane
Superfund Program Management Section

Dottie Pipkin
Office of Waste Programs Enforcement, WH-527

As per our telephone conversation yesterday, the purpose of this memo is to reiterate the information that I need for the Pasco Sanitary Landfill, (site number 67) in Washington state:

- ° All costs for the Ecology and Environment FIT contract, contract numbers 68-01-6692, start date 8/10/84; and 68-01-7347, start date January 1987.

If possible, we would like to have a breakdown of personnel, travel, and equipment costs for these contracts.

This information will enable us to respond to a Freedom of Information Act request; your prompt action on this is appreciated.

Please telephone me if you have questions.
